Lightly swinging $ \approx c.120$

There's a rose in the middle of winter, a rose which has no thorn,

into the garden it comes, like a thorn,

no thorn, into the garden it comes, like a thorn,

no thorn, into the garden it comes, like a thorn,
child that is waiting to be born.

child that is waiting to be born, waiting.

And while he waits for the rose to bloom,

B. 1
B. 2

While he waits for the rose to bloom,
rose to bloom, the gard’ner sings:
rose to bloom, the gard’ner sings:
and the clouds all dance to his tune,
and the clouds all dance to his tune,
the gard’ner sings:
the gard’ner sings:
and the clouds, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to his tune, and the clouds all dance to
